Chris and Dan,

We first circulated the joint letter regarding discovery disputes to you on August 22. At that time, we also requested that you provide Defendant's position with respect to the issues in dispute. I have inquired as to the status of Defendant's response several times since then with no response from you. It will have been three weeks since we circulated the draft joint statement this coming Tuesday, September 12. If we do not have BMW's position with respect to the discovery issues in dispute by close of business on Tuesday, we will

proceed with the filing of Plaintiff's separate statement re discovery dispute on Wednesday. Additionally, I have still not received a response to our August 24 letter requesting deposition dates for Defendant's 30b6 designees.

Thanks,  
Matt
